

LITIGATION IN THE NEW NORMAL

Forces related to technological change, globalization, and the pressure to do more with less has permanently changed the legal services industry. At RQ Law, LLC, through a focus on using advancements in technology, and overseeing the legal processes we focus on doing more for less – adding value to the work we perform while managing the costs of litigation to our clients. Our goal is to be a leader in providing quality legal services, efficiently and effectively.

OUR PHILOSOPHY

We treat every case as unique and provide proactive, practical, and cost-effective legal services. By combining experience and technology, we maintain high standards of representation with a strong focus on client service. Our individualized approach is shaped by conversations and tailored to each client's needs, ensuring professional and efficient management of legal matters.

FIRM ACTIVITIES

- ° Actively involved in defense bar, especially amicus and legislative activities
- ° Regular presentations at claims and trade group seminars
- ° Recipient of Colorado Supreme Court Pro Bono Award
- ° Legal advice and volunteer services to Colorado Claims Association
- ° Teaching paralegal classes at trade college
- ° Member of Judicial Performance Commission

FEE AGREEMENTS

At the first meeting, we discuss legal fees, expected costs, estimated case duration, challenges, and complexity. We work with you to find a suitable fee arrangement—hourly, flat, or a combination. Fees cover research, investigation, and preparation. Early agreements help prevent misunderstandings between client and attorney. Clear mutual commitment ensures the best outcome.
